

Gender-affirming Medical Care

You have the right to:

- Compassionate and competent healthcare free from discrimination;
- Access room assignments, bathrooms, or other facilities consistent with your gender identity;
- Receive care free from gender-based harassment by staff or other patients
- Insurance coverage for medically necessary care regardless of your gender identity, gender marker, or diagnosis.

For detailed information about insurance coverage, go to [Insurance Coverage for Gender-Related Care](#).

To find out how to fight insurance denials, go to [Fighting Insurance Denials](#).
