## **Partnership for Prescription Assistance**

About PPA

### **Delivering Hope to Millions of Patients in Need**

America's biopharmaceutical research companies are on a mission to improve patient health, advance medical innovation and fuel economic growth. The medicines they create provide hope that a cure can be found, treatment will be effective, and patients' lives can be lived to their fullest. The Partnership for Prescription Assistance is one way to help connect qualifying patients with the assistance program that's right for them.
