About NACA

### **Our Mission**

National Association of Consumer Advocates (NACA) is a non-profit association of attorneys and consumer advocates committed to representing consumers' interests. Our members are private and public sector attorneys, legal services attorneys, law professors and law students whose primary focus is the protection and representation of consumers. NACA also has a charitable and educational fund incorporated under §501 (c) (3).

NACA's mission shall be to promote justice for all consumers by maintaining a forum for communication, networking, and information sharing among consumer advocates across the country, particularly regarding legal issues, and by serving as a voice for its members and consumers in the ongoing struggle to curb unfair or abusive business practices that affect consumers.

NACA is an organization of more than 1500 attorneys who represent and have represented hundreds of thousands of consumers victimized by fraudulent, abusive, and predatory business practices. As a national organization fully committed to promoting justice for consumers, NACA's members and their clients are actively engaged in promoting a fair and open marketplace that forcefully protects the rights of consumers, particularly those of modest means.
