

NADA

National Appraisal Guides, Inc. is the largest publisher of vehicle pricing, information and tools for new and used cars, classic cars, motorcycles/powersports, boats, recreation vehicles (RVs) and manufactured homes.

National Appraisal Guides has become a leader in vehicle data publishing and the technology that delivers it including mobile and web applications, integrated software, raw data, web services, web-syndicated products and print guidebooks for consumer and commercial markets.

In addition, National Appraisal Guides is the largest provider of vehicle data and information to the nation's leading banks, credit unions, fleet and lease organizations, dealers, insurance companies, government agencies and financial institutions.

There is an explanation for why millions of vehicle shoppers, dealers, financial institutions, credit unions, government agencies, insurance companies, remarketers, auctions, manufacturers and rental agencies depend on National Appraisal Guides. Our customers know us as the authoritative, complete source for all the information needed to make buying, selling and business decisions about vehicle transactions.

Whether your needs are for buying, selling, trading, managing or appraising, National Appraisal Guides is committed to providing the most comprehensive and market-reflective vehicle pricing and information available today.
