Identity Theft Information

ARE YOU A VICTIM OF IDENTITY THEFT? HELP IS AVAILABLE!

Have you been turned down for credit, even though you have always paid your bills on time?

Did you get a demand letter or collection call on an account you never had, or get a credit card that you never applied for?

Do you think someone is using your Social Security Number or other private information to open accounts, get employment, or receive medical services?

Is your bank account being debited for charges you didn't make?

Might a stranger, someone you know, or even a family member, have stolen your personal or financial information?

Do you suspect identity theft by someone who has abused you?

Has this happened to a child or dependent adult in your household?

[CLICK HERE](#) for valuable information which may help if you suspect Identity Theft!
