IN Free Legal Answers

IN Free Legal Answers is a web page that allows you to post a question about your *non-criminal* legal problem and have it answered for free by an attorney. In order to qualify, you must be unable to afford to hire an attorney. To see if you are eligible and to ask a question now, visit [IN Free Legal Answers](#). This service only provides answers to legal questions, the attorney who answers your question will not represent you in the full case or go to court for you.
