

Strategic Plan

Indiana Legal Services, Inc. operates under a strategic plan. The plan helps to make sure the organization achieves its vision and goals. ILS' mission is to use the law to fight poverty and racism, empower clients, and improve access to justice. ILS' vision is to provide dignity, fairness, and equality for all people under the law.

There are four specific goals in the 2022-2025 Strategic Plan:

- Ensure that all aspects of our work are grounded in racial equity.
- Uniformly deliver excellent representation to our clients.
- Advocate for clients and client communities, especially marginalized populations, to ensure just outcomes.
- Attract and retain superior talent throughout the organization.

Each strategic goal includes specific initiatives that will be implemented to make progress against each goal and the Strategic Plan as a whole. By working toward and achieving these goals, ILS will provide concrete help on the legal issues clients face while it also seeks to alter some of the fundamental underpinnings that support such conditions.
