Learn MORE about Recent Immigration Rule Changes!

The Immigrant Welcome Center, along with the Indiana Chapter of the American Immigration Lawyers Association; the Catholic Charities Indianapolis' Immigration Services and La Plaza are coming together to bring free Information Sessions about the Administrative Actions announced by President Obama, including requirements and qualifications. These sessions are primarily for those who think they may qualify for one of the immigration benefits, but want to learn more. There will be two immigration attorneys in each of these sessions and at least one of them will be Spanish-speaking. These sessions are for informational purposes only; attorneys will not be providing individual legal assistance as there is no process in place yet.
