November 12: ILS-Low Income LGBT Project to Host Name & Gender Marker Change Clinic

On November 12th from 12 noon to 4 pm, Indiana Legal Services and Indiana University Robert H. McKinney School of Law will be hosting a direct service event for transgender people seeking help with name and gender marker changes.

If you need help changing the name and/or gender marker on your identity documents, please join us on this day. Attorneys and law students will be present to discuss the process with individuals and to hopefully take your case. Attorneys will evaluate each case for representation. We cannot promise anyone they will get an attorney for their case, but our hope is to help as many trans people as we can in the exciting and important step of changing their name and gender marker.

For any questions about the event, please contact Indiana Legal Services at 317-829-3060 or theo.ciccarellicornetta@ilsi.net
