Indiana State Guardianship Association

Since their creation in 1996, the Indiana State Guardianship Association has been a member-driven organization consisting of professional guardians, agency guardians, family guardians, and others. Members pay annual dues of \$40 which entitles members to direct the organization's efforts.

The Indiana State Guardianship Association is the state affiliate of the National Guardianship Association. As such, our organization works in partnership with the national group to promote quality guardianship services. Our "Indiana State Guardianship Association Standards of Practice" are modeled after the National Guardianship Association's long-standing and strong standards.
