Aging in Place - National Council for Aging Care

Aging in Place is a resource hub for seniors and their families to learn more about the specific aspects of aging in place. You can visit our one stop shop for expert know-how in order to make the best decisions about in-home care, insurance, government assistance, and other financial resources, transportation options, and home remodeling. Among these resources is a guide to helping us all better recognize elder abuse.

Click here for the Guide to Recognizing Elder Abuse and be sure to visit Aging in Place for other helpful resources.
