LOW INCOME TAXPAYER CLINIC**

INDIANA LEGAL SERVICES—BLOOMINGTON

Indiana Legal Services is a nonprofit law firm that provides free legal assistance to eligible low-income people throughout the state of Indiana. The Low Income Taxpayer Clinic resides in the Bloomington office and serves all eligible Indiana taxpayers involved in disputes with the IRS.

LOW INCOME TAXPAYER CLINIC

The Indiana Legal Services Low Income Taxpayer Clinic (LITC) provides free legal assistance to Indiana taxpayers involved in disputes with IRS.

Examples of disputes with IRS include whether you qualify for Child Tax Credits, the Earned Income Tax Credit, the ability to claim Head of Household or dependents, whether you should be responsible for your spouse's or ex-spouse's tax problems, and whether you owe tax on the amount of a debt that is forgiven.

We can also help you if you have received a notice from the IRS or the IRS has already started collection actions, you're facing an audit or exam, or you are a victim of identity theft.

The Low Income Taxpayer Clinic is not part of the IRS, but does receive funds from the IRS through the LITC grant program. Participation in an LITC program does not impact your rights before the IRS. Also, while the LITC can help you file a tax return as part of a dispute with the IRS, we are not a tax preparation service and we do not generally prepare tax returns. To find a free tax preparation site near you, please call 1-800-906-9887.
